

# 2020 Lone Star Texas Annotated Reading List

Arden, Katherine. **Small Spaces**. G.P. Putnam's Sons, 2018. ISBN: 9780525515029

Ollie loves books, but the book she rescues from the river is different. It tells the story of a woman who is tormented by living scarecrows and the mysterious "smiling man." When Ollie's bus breaks down on a class field trip, she realizes everything in the book was real, and she and her classmates are in danger. Can Ollie outwit the smiling man and his army of scarecrows? **You might also like:**

*Coraline*, by Neil Gaiman

Barnes, Jennifer Lynn. **The Lovely and the Lost**. Freeform Books, 2019. ISBN: 9781484776208

Kira knew joining the search and rescue team looking for Bella, a lost child, might trigger her anxiety. She was once a lost girl, wandering in the woods, more animal than human. Kira was adopted years ago, but she can't seem to move beyond her past, and this search is dredging up old memories and secrets long buried. Will Kira be able to find Bella in time, or will she become another child lost forever? **You might also like:**

*Pretend She's Here*, by Luanne Rice

Blake, Ashley Herring. **The Mighty Heart of Sunny St. James**. Little, Brown and Company, 2019. ISBN: 9780316515535

Sunny has been trapped by her weak heart for the last few years, but now that she's had a heart transplant, things will be different. She wants to do all the things she couldn't do before even if she must do them without her former best friend. Her number one goal for this summer is to kiss a boy, and her new friend Quinn has vowed to help her on the kissing quest. But her new heart will have problems, too, like the return of the mother who abandoned her and the realization that maybe she doesn't want to kiss just boys after all. **You might also like:**
